Dear Rachel,

Make a difference to a whole world of mums this Mother's Day, Sunday 22nd March.

Show your mum how much you care by giving her a meaningful gift. Choose from an array of projects to support, all aimed at [helping Mums in the developing world help themselves](#). Or choose to give an [e-Gift Certificate](#) so your mum can select a project herself.

[GlobalGiving.co.uk](#) makes a direct impact on people's lives by ensuring your donations go directly to your chosen project. Mums around the globe are already benefiting from donations through GlobalGiving - here is the story of just one of them.

Patrociña lives in a small village in Guatemala. Her community receives support through the Aprosadse programme, which provides loans and training for income-generating projects. Patrociña took out a loan to buy a cow. The cow provided milk for her 5 children and she generated income by selling milk to her neighbours, which meant she could then educate her children. Make a difference this Mother's Day by donating to a project dedicated to helping mums worldwide.

Have a Happy Mother's Day!
